# ICBDSR DINNER

*....and a little tram tour...*

**Municipal House – Hall of Plzenska restaurant**

We invite you for a traditional ICBDSR dinner that will take place in a traditional Prague restaurant – in the historical Municipal House building (built in 1912 in *Art Nouveau* style).

For the trip to the restaurant we will use our private tram (legendary T3 type, with nearly 14.000 produced units – possibly the most successful tram type worldwide) and we will have a small tour of the city, where you can see Wenceslas Square, National Theatre, Vltava river, Prague castle, and finally Republic Square – where we will have our dinner.

Notes:

- We will meet at 6.15 pm at **Hotel Olšanka** reception. Please, be on time, as we cannot postpone the tram departure.
- The one-way trip with private tram is included in the dinner price.
- The travel back to the hotel is neither organized nor included in the price. You can easily ride back by regular tram (lines 15 or 26) – 5 stops from *Náměstí Republiky* to *Olšanské Náměstí* (24,- CZK ticket)
- The form for menu selection will be distributed prior the meeting. The selection of meals has to be done two weeks prior the dinner.
